In Memoriam

In loving remembrance of our dear son and brother, Richard Henderson Gowin, who departed this life three years ago, July 8, 1947.
Today is a day of remembrance
and many sad regrets.
A day we shall always remember,
Dear son and brother,
When the rest of the world forgets.

Our days are long and lonesome,
Our pleasures are but few,
The memory will live in our hearts
forever,
Of the days we spent with you.

Oh how hard we tried to save you,
Prayers and tears were all in vain
Happy angels came and took you,
From this world of sorrow and pain.

God called you home up in Heaven,
For the springtime is more beautiful there;
His needed you to bloom for His glory,
Like a gem so precious and rare.

—Sadly missed by Mother, Dad, Brothers and Sisters. (1tp)

In Memoriam:

MARTIN: In sad but loving remembrance of our dear mother, Mrs. Eamonia G. Martin, who died July 19, 1949.

Just one year ago our dear mother passed away.
She had no one the last farewell,
She said goodbye to none.
Her loving heart ceased to beat,
Her lips were silent when she had gone.
Gone is the face we loved so dear,
Always so true, unselfish and kind.
A beautiful life that came to an end.
She died as she lived, everybody's friend.
Our hearts still ache with sadness,
Only God knows how much we miss you.
Some may think we are not lonely
When they see us smile,
But little do they know the heartache
And pain
Now you were laid to rest only in dreams we can see thee.
There is a deep wound in our hearts
A wound that will never heal.
And a vacant chair at our home.
Which none can ever fill.
We can feel thy guiding hand,
And it leads us over rough places
To that bright celestial land.

—Sadly missed by her Children.

LICENSE REQUIRED TO HUNT BULLFROGS

Richmond.- The bullfrog has some legal rights, too. You can't hunt him on another person's property without a state hunting license.

An opinion to this effect was delivered to Trial Justice R. S. Wright, Jr. of Woodstock this week by Attorney General J. Lindsay Almond, Jr.

The trial justice asked an opinion on whether the taking of bullfrogs on the land of another person requires a state hunting license. The attorney general's opinion noted that a frog has the status of a "wild animal" within the meaning of Section 29-121 of the state code.

REFORESTATION IN THIS AREA

Over one million forest tree seedlings were planted this year in the Farmville District of the Virginia Forest Service. This district includes the following counties, Appomattox, Amelia, Buckingham, Charlotte, Cumberland, Halifax, Lunenburg, Mecklenburg, Nottoway and Prince Edward.

Vocational agriculture students planted 204,085 of the total number of trees planted. These boys are doing an outstanding job in reforestation.

The majority of the trees planted in this district were loblolly pine, which will make a greater return over a shorter number of years than other forest trees suitable for planting in this area. About 250,000 pine seedlings were planted with the aid of a planting machine. The average farm tractor will pull this machine which plants from 8,000 to 10,000 seedlings per day. This machine is for rent to any landowner who wishes to plant 8,000 or more pine seedlings.

Worn out abandoned land should be producing something so that it can carry its share of the expenses. Anyone interested in planting forest tree seedlings is urged to contact the Virginia Forest Service, Box 386, Farmville, Va.
